The Love's Farm Directory 2021

Welcome

to the Love's Farm Directory 2021, your guide to the groups, activities and support available in our community.

At Love's Farm Community Association (LFCA) we are committed to doing what we can to ensure that the people of Love's Farm are happy, healthy and safe. Sometimes that means working to get something fixed or to address a problem. Often it's about helping to create opportunities for residents to meet, socialise and form friendships. We organise some events ourselves, but we're also here to support local residents, community groups and businesses that create these opportunities on Love's Farm.

We cover them all in this directory.

We know that lots of people already benefit from our amazing community on Love's Farm, but we also know that many people are yet to find a way to connect. The pandemic has massively disrupted our way of living, and so now — more than ever — it's important that we find new ways to connect.

This directory is part of our drive to ensure that everyone feels part of our community. Even we're surprised by the vast range of community groups that are active here, and we hope that everyone will find something that appeals to their interests.

If not, we want to hear about it. There are probably other people who also feel

that something is missing, and that means an opportunity to start something new. At LFCA we can give small grants to help get projects up and running, and we can help identify further funding, publicity and insurance... whatever it takes!

We'll be adding to this directory as new projects develop; see the latest version at www.ourlovesfarm.co.uk/directory

While we're here, we want to take this opportunity to showcase the achievements LFCA has made over the years — you can see them on the **Community Map** on page 14.

We'd also like to invite you to participate in our **Love's Farm Survey**. Tell us what you love about Love's Farm, what needs improving and whether you'd like to be part of that change. Head to www.ourlovesfarm.co.uk/survey

Finally, we'll take this opportunity to tell you about some upcoming changes at LFCA. Our community association has been expertly chaired by Marcus Pickering since 2013. His encyclopaedic knowledge of Love's Farm is second to none, and he has done an extraordinary amount for our community. But all good things must come to an end, and this autumn we are looking for a new chair.

It may feel like Marcus leaves some big shoes to fill, but we're keen to find a new team with fresh ideas. There will still be plenty of friendly, familiar faces to help the transition. If you'd like to find out more, please email

chair@ourlovesfarm.co.uk

Community Support

Love's Farm Community Association (LFCA)

LFCA is the umbrella organisation that supports the residents and communities of Love's Farm.

We organise events, produce newsletters, a website and Facebook page, organise litter picks and work with local councils, police, schools and others to encourage happy, healthy communities on Love's Farm. We can also support local community groups via small grants. Everyone who lives on Love's Farm is automatically a member of the association and is welcome to come along to our monthly meetings.

Get in touch if you'd like to join the team, have a concern or an idea or want to get involved in any other way.

- 🕒 Committee meetings on the third Wednesday of the month, 7:30pm
- 📍 Love's Farm House

Street Reps

Our network of Street Reps provide the link between LFCA and each street on Love's Farm.

Street Reps play a number of key roles: delivering newsletters to their street, liaising with their neighbours and the LFCA committee and encouraging everyone to be part of the community. Find your Street Rep via the link below. If your street doesn't have one, we'd love for you to volunteer.

Love's Farm House

TinyTalk Baby Signing

Fun, interactive classes designed to teach you how to

communicate with your baby before they can talk.

The sessions introduce British Sign Language (BSL) signs through singing nursery rhymes and songs. Our classes incorporate sensory activities to develop all-round communication skills as well as encouraging hand-eye coordination and fine motor skills.

Birth - 18 months/2 years

£ £6.50 per class

2nd St Neots Beavers

The youngest members of

Scouting achieve anything they set their minds to and have lots of fun along the way.

Beavers master new skills and try new things, have fun and go on adventures, make friends, are curious about the world around them, and help others and make a difference, on their own doorstops and beyond.

Boys and girls aged 6-8

£ Termly subscription (ask for concessions information)

Thursday evenings in term time.

2nd St Neots Scout Hut, St Neots FC

2nd St Neots Cubs

Develop new skills. Soar to great heights. Being a

Cub opens up a whole other world.

Cubs are young people who master new skills and try new things, have fun and go on adventures, make friends, are curious about the world around them, and help others and make a difference in their own communities and beyond. Every week, they gather in groups called Cub Packs to take part in lots of interesting and challenging activities.

2nd St Neots Scouts

SCOUTS Jump in and get muddy. Give back and get set. Scouts ignore the butterflies and go for it.

Scouts are a go-getting group of young people who master new skills and try new things, make new friends, have fun and go on adventures at home and abroad. They explore the world around them, help others and make a difference in their own communities and beyond. Week in and week out, they gather in groups called Scout Troops to conquer the small task of changing the world.

St Neots Youth Council

St Neots Youth Council represents all young people aged 11 – 18 in St Neots.

We believe that young people should have a say on the issues that affect their lives. We make a difference by voicing our opinions and working with decision-makers across the town, working together to improve our community for young people and build a better future.

- Ages 11-18

Introducing Adele Jones, Youth Worker

My name is Adele and I've recently joined the community on Love's Farm as a youth worker. Back in 2018 I graduated with a degree in youth and community work with theology. Since then I have lived in several different places and worked with charities, churches and schools in a variety of youth work roles. Most recently I worked on the pastoral support team of a secondary school and love to see young people thrive in all aspects of life. I'm now working closely with Helene Tame, the community chaplain and Love's Farm Church, as together we look for ways to further serve and engage with young people on Love's Farm and across the wider town. Please do get in touch if you feel I could support your child in any way. One way or another I look forward to meeting them in the near future.
