

Welcome to the September 2013 newsletter from the Love's Farm Community Association.

the big lunch

an eden project

Sunday 8th September
13:00-16:00

The 5th Loves Farm communal picnic

Bring a picnic and meet other residents

Meet at the open space by Aunties Woods/ Indian camp

Party games and fun for all the family.

Everyone welcome

Reminder - Petition

The entrance to Love's Farm via the bridge over the railway line at the northern end of the development is intended to remain closed to all vehicles except buses and emergency services. You can help take action by signing a petition online through our [website](#). You have until 15th September to sign the petition.

Station footbridge

The construction of the footbridge from Love's Farm to the railway station is well ahead of schedule, and Network Rail expects the main span of the bridge to be lifted into place overnight on September 21st, according to St Neots News & Crier.

All aboard!

The next play area will be calling at... Top Birches! A new train-themed play area aimed at the toddler age group will be arriving in the copse area to the north of Top Birches, close to Hogsden Leys. This play area will be installed in the early Autumn. Take a look on our website for a detailed plan of the new play area.

Keep in touch

There are multiple ways to keep in touch with neighbours in Love's Farm, through our [website](#) or Facebook (Loves Farm Community Association).

SMARTEN UP FOR THE BIG LUNCH!

COME AND JOIN US IN A GENERAL TIDY UP
(BEFORE OUR END OF SUMMER PICNIC)

SUNDAY 1ST SEPTEMBER

Meet at the Pirate Ship either;
11am til 1pm or 2pm til 4pm

Community Building news

By Philip Gibbs

It's good news! Discussions on the new community building are proceeding at pace by three Local Authorities:

Cambridgeshire County Council have a need to find a suitable piece of ground within Love's Farm for their planned children's facility.

Huntingdonshire District Council are revising the specification of the building which was tendered for last year, in an effort to reduce costs, but maintain the standard which both they and the County Council will require.

St. Neots Town Council has begun looking into the possibilities of a timber construction within the budget figure.

We, as the prime users of the building are heavily involved in the discussions (via Philip) and our input is imperative.
