

Love's Farm Bat Walks

For the last few years, Caroline Jackson, our resident bat expert, has run [free bat walks](#) on Love's Farm. Come and learn about our resident bats and hopefully see and hear them in action! We do a short walk around Love's Farm to try and find the bats out feeding, and use bat detectors to help us to hear them in flight. No need to book, just meet Caroline Jackson at the Indian Play Area. Wear something warm and bring a torch if you have one. Children welcome. Keep an eye on the website in case of cancellation due to poor weather. Friday 24th April - 7.45-9.00 (approx). Sunday 24th May - 8.30-9.45 (approx)

Love's Farm Dog Walk

Forums are back online

Our [website forums](#) are back online and open to residents only. Participants will need to register with a Love's Farm address and agree to post using their real name. Two forums - 'For sale' and 'Ask a question' remain open to a wider audience. The 'Ask a question' forum is intended to provide simple factual answers to questions - for example from those thinking of moving here who might want to find out something about our community. We have set our [clear guidelines](#) for our forums.
