

# Love's Farm News

## Parking Restrictions: Your Comments Needed

Significant progress has been made to bring parking restrictions to Love's Farm, but LFCA needs your input now to ensure that the right restrictions are implemented.

Following residents' meetings on 20 October and 17 November, illustrative plans of the proposed restrictions for both spine and side roads are now available for comment at [www.ourlovesfarm.co.uk/parking](http://www.ourlovesfarm.co.uk/parking) and on display at Love's Farm House. This is your final opportunity to influence the plans before Cambridgeshire County Council (CCC) drafts the formal plans and Traffic Restriction Order (TRO) from mid-December.

### Summary of Proposals

**Spine Roads** (Stone Hill, Great High Ground, Dramsell Rise, Station Square, Kester Way, Hogsden Leys)

The proposal is for a combination of double yellow lines (no parking at any time) and specific areas of unrestricted parking. The aim is to give some flexibility

for residents to continue parking while easing congestion and ensuring that emergency vehicles can get through. Anyone will be able to park in these unrestricted areas, not just residents.

The specified parking areas on **Station Square** and **Kester Way** will be time limited (probably two hours maximum) to assist with station dropping off, visiting shops, Leonardo's and Love's Farm House. Other designated parking on spine roads will not be time restricted.

Following feedback from the school and others it is also proposed to apply double

Visit [www.ourlovesfarm.co.uk/parking](http://www.ourlovesfarm.co.uk/parking) or pop into Love's Farm House to see the proposals

yellow restrictions to **School Drive**.

### **Side Roads** (all other roads)

Based on the feedback from the recent survey (see below) the plans include single yellow lines with a one-hour restriction on Monday to Friday only (probably 11am-12pm or 12-1pm) on side roads. The exceptions to this are:

- Access to driveways will be protected by a white Access Protection Marker (APM) rather than a yellow line.
- No restrictions on existing parking bays that are clearly marked on the road and/or on developer's site plans.
- Private courtyards and other private roads will continue to be administered by management companies or BPHA rather than adopted by the council – these are out of scope of the proposals.

At this stage no other exceptions have been identified, but...

### **We need your input**

We would love to hear from you if:

- You have any disabled parking requirements
- You have copies of developers' brochures that show the location of designated bays
- You spot mistakes on our draft plans for the location of designated bays and private courtyards.
- You feel that the proposed unrestricted places on spine roads should be amended.
- You feel that there is room for additional areas of no restriction on your side road. This will provide

additional 24/7 parking, but bear in mind that anyone (you, neighbours, residents on other streets, commuters) will have just as much right to use them. LFCA will seek agreement from neighbours to find the best approach, so if possible please discuss and agree with neighbours first.

- You feel that the proposals are right. Please drop us a quick email so we know whether the scheme has residents' support.

LFCA will work with CCC to review comments. All comments received by 8 December will be responded to.

Please note CCC will not allow parking on bends, junctions or other places which severely limit visibility for other road users.

### **How to respond**

LFCA will run this part of the consultation until **Friday 8 December**. You can:

- Email [parking@ourlovesfarm.co.uk](mailto:parking@ourlovesfarm.co.uk)
- Contact your street rep (see [www.ourlovesfarm.co.uk/streetreps](http://www.ourlovesfarm.co.uk/streetreps))
- Write to LFCA Parking Group, c/o Love's Farm House, 17 Kester Way, St Neots PE19 6SL
- Email the County Councillor for Love's Farm: [Julie.Wisson@cambridgeshire.gov.uk](mailto:Julie.Wisson@cambridgeshire.gov.uk)

If possible please consult with your street rep and neighbours before commenting.

### **Why have restrictions at all?**

LFCA has received numerous complaints about parking on Love's Farm over a number of years. In response, it surveyed residents in 2015. Based on the results

of this survey, it submitted an application to the Local Highway Improvement (LHI) initiative at CCC to develop and implement parking restrictions. The key issues raised in the application included parking that presents a danger of collision and congestion due to narrow roads, danger to pedestrians due to limited visibility and a risk that emergency vehicles may not be able to respond in an emergency due to obstructions.

Based on this criteria, illustrative plans for the spine roads were drafted earlier this year. In October and November LFCA conducted a survey (appearing in the October issue of Love's Farm News). 460 people responded to this:

79% said they supported the proposed restrictions on spine roads.

48% said they supported single yellow lines on side roads. A further 21% said they supported double yellow lines on side roads. In total, 69% favoured some kind of restriction on side roads.

There was an option for residents on side roads to opt out of the scheme for their road. No side roads had a majority of residents opting out.

## Recap of Timeline

- LFCA residents' survey 2015 – over 80% of residents surveyed said they had experienced problems with obstructions from parking and parking presented a safety hazard.
- Local Highway Initiative (LHI) bids to Cambs County Council (CCC) 2016 and 2017
- Spring 2017 – Joint funding by CCC

The location of allocated and visitor parking bays are shown on home-builders site plans. We still need to track down plans for some parts of Love's Farm

and Gallaghers for parking restrictions

- Illustrative proposals developed in conjunction with CCC
- Oct-Nov 2017 – online survey to gather residents' feedback on these proposals.
- 20 October and 17 November – meetings to review proposals
- Further opportunity to comment on illustrative plans (until 8 December)
- LFCA to work with CCC to review comments
- CCC will draft formal plans and TRO
- Formal consultation by CCC, early 2018 – please also respond to this
- Implementation is planned for spring 2018

## Frequently asked questions

A number of issues were raised by those responding to the recent survey. Here are some common ones with LFCA's response:

**Restrictions will be too onerous on residents: people have only limited off-road parking, and it's inconvenient not to be able to park outside my own house.**

The challenge in drawing up the illustrative plans is to balance potential inconvenience to residents with the wider

safety and traffic flow objectives of the scheme. The illustrative plans attempt to achieve this balance but are open to further feedback from residents.

### **Why not have resident parking permits?**

Over many years, councillors have lobbied for residents' parking permits for the Longsands area and other areas in St Neots. LFCA has lobbied for this for Love's Farm, too. We have been told that CCC gives priority to schemes in Cambridge City where there is no off-street parking. LFCA will continue to lobby for these but we believe it is best to get on with the current proposals because permits are unlikely to be agreed quickly. Unrestricted areas could conceivably be converted into residents-only areas in future.

### **Displacement – any restrictions will move the problem of commuter parking elsewhere.**

The recent implementation of restrictions around Longsands Road mean that, without its own restrictions, Love's Farm will see increasing commuter parking. The reason for including all roads in the estate is to avoid the problem being moved from one road to another.

### **How far will the double yellow lines around junctions extend into side roads?**

This will be determined by CCC but we have been told there is some room for flexibility on the length of these.

### **Why not have single yellow lines on spine roads?**

The main argument for restrictions on spine roads is about safety, and single yellow lines wouldn't address this. Instead, the proposal is no restrictions in places

where it's considered safe to park, which gives more flexibility for residents.

### **Make your voice heard**

Please do get in touch with your feedback. Residents on each street will know what works best for them, so don't let this local knowledge go to waste.

## **Christmas Fun on Love's Farm**

There's lots going on at Love's Farm House this month to get you in the mood for Christmas. We hope you can join us.

### **Christmas Messy Church**

**Friday 1 December 3.20-5.20pm**

The theme for Messy Church in December will of course be Christmas! Come along straight from school and a snack will be provided. Crafts will include star tree decorations, thumb print 'wise men', decorating mega advent candles, pipe cleaner angels and we will all be pitching in to make our own nativity house! Bangers and mash are back on the menu after a quick Christmas quiz and movie clip.

### **Mrs Brimbles' Christmas Jingle & Mingle**

**Saturday 2 December 1-5pm**

The Christmas Jingle & Mingle is an opportunity for planner and art journal enthusiasts to get together for a relaxing craft or planning session. Anna (Mrs Brimbles) will be leading a workshop on Christmas memory journalling, and there will be an opportunity for some shopping.

Tickets are £10 and must be purchased in advance at [www.mrsbrimbles.co.uk/product/christmas-jingle-mingle](http://www.mrsbrimbles.co.uk/product/christmas-jingle-mingle). There is a Facebook group for ticket-holders to chat about their projects and get to know each other before the event. Find out more at [www.mrsbrimbles.co.uk](http://www.mrsbrimbles.co.uk).

### Round House Christmas Fair Friday 8 December 3.30-5.30pm

The Round House School's annual Christmas fair will be held in the school hall. There will be games and activities for all ages, hot dogs, hot drinks and other yummy treats, and the ever-popular raffle with lots of great prizes. In Santa's grotto you can decorate Christmas biscuits, make food for Santa's reindeer and meet

Santa and his Elves. Come along for lots of fun and an opportunity to raise money for our fantastic primary school.

### Carol Singing

#### Thursday 14 December, 6pm, meet at Love's Farm House

LFCA's annual carol singing event gets bigger and better every year. We start at Love's Farm House at 6pm to warm up our voices, and then it's out onto the streets of Love's Farm to spread some Christmas cheer across the neighbourhood. Finally it's all back to the Farm House for refreshments.

This year we're going high tech with an app – search the Apple or Google store for "Carol Words".

## St Neots Film Club: *Sing* (U) and Christmas Social

**Friday 15 December, 6pm**

It's an earlier start for a children's film at St Neots Film Club this month. £5 per child and free popcorn included. Children must be accompanied by an adult (who doesn't need a ticket).

With songs by Taylor Swift, Queen and Elton John, *Sing* is a joyful experience for all ages. There'll be a post-film discussion and everybody is welcome to stick around and enjoy a drink and mince pie for the St Neots Film Club Christmas Social.

## Christmas Cheers at the Farm House Bar

**Friday 22 December, 7:30-11pm**

Join friends (or make new ones) for a quiet Christmas tippie at your local.

## Breakfast Church Christmas Carol Service

**Sunday 24 December, 4-5pm**

The Breakfast Church team will host a Christmas Eve event at Love's Farm House with lots of carols, Christmas lights and nibbles. Children are welcome to come dressed as a shepherd, king or queen, angel or Christmas super-hero to help retell the Christmas story – surely the best story ever! Everyone is welcome.

## Great Get Together Christmas Lunch

**Monday 25 December, 1pm**

On Christmas morning Breakfast Church will meet at 10am for a short Christmas service. Afterwards the team will host

St Neots Film Club presents *Sing*, Friday 15 December

a Great Get Together Christmas lunch from 1pm. Everyone is warmly welcome to either or both! Please contact Helene, community chaplain on 07938 803501 or [community.chaplain@yahoo.co.uk](mailto:community.chaplain@yahoo.co.uk) to book a place for the Christmas meal. Events are free of charge but donations are welcome on the day.

## Chocolate Bingo

**Thursday 28 December, 6:30pm**

Join Emma for bingo Love's Farm style. £1 per person (minimum 10 games) and lots of yummy chocolate up for grabs. Will it be Pick and Mix 26 or Overweight 28? Join the Facebook event at [www.facebook.com/ourlovesfarm](http://www.facebook.com/ourlovesfarm) so Emma knows how many prizes to order!

## New Year's Day Brunch

**Monday 1 January, 11am - 1pm**

The Lazy Breakfast team know all too well what it feels like to wake up after a night out with a groggy head and a house full of hyper-active children. They also know the cure: strong coffee, bacon butties, ice-cold Coke, chocolate croissants and activities to keep the

children entertained. As an added treat there'll be live music from our resident ivory tickler Chris Hatt, playing soothing jazz and the odd request (no fast tempos please). Bring your own bean bag!

---

## Love's Farm Northern Access Closure

In early August Cambridgeshire County Council closed the northern access to Love's Farm to all vehicles – including emergency services – by placing a concrete barricade across the road.

Rising bollards in Cambridgeshire are being phased out as the technology is aging and they are increasingly expensive to maintain. Given that local bus services do not use the bus gate into Love's Farm, the County Council are consulting on plans to close the route permanently, except for pedestrians and cyclists.

Concerned residents raised the issue of lack of emergency access to the north of the estate at a recent meeting with Cambs County Council Highways. Highlighting the concern that a third of the estate would be stranded should there be an accident on Great High Ground, coupled with increased response times by emergency services, Highways have agreed to replace the concrete block and rising bollard with a manual bollard with a combination lock which could be used by emergency vehicles.

### How to give your views

The council have promised to use the consultation as an opportunity to

consider all possible options for the future of the northern access, and so we encourage all residents to send in their views. You can do this by emailing [policyandregulation@cambridgeshire.gov.uk](mailto:policyandregulation@cambridgeshire.gov.uk) and quoting reference PR0342, or by writing to Graham Hughes, Executive Director Economy, Transport and Environment Services, c/o Policy and Regulation, Vantage House, Vantage Park, Washingley Road, Huntingdon PE29 6SR. The deadline for comments is 26th January 2018.

## Primary Schools Update

Parents with children due to start primary school in September 2018 have received application packs from Cambridgeshire County Council (CCC) – call 0345 045 1370 if you haven't received yours. In it there is an option to select "New St Neots Primary School".

This refers to the school that is due to be built on the Wintringham development, just south of Love's Farm. The first residents aren't expected there until 2019 but CCC needs the new school to open in September 2018 for reception and year 1 children to meet existing demand from the Love's Farm community.

On 14 November the Children's and Young Peoples Committee at CCC recommended that the new school should be established by the Diamond Learning Partnership Trust (DLPT),

which runs nine primary schools in Cambridgeshire including The Round House Primary Academy at Love's Farm. This recommendation will be sent to the Regional Schools Commissioner who will in turn recommend to the Secretary of State, who makes the final decision.

In anticipation of this decision, the DLPT is working with CCC on the location and design of both the temporary building for September 2018 and the permanent school, expected to open in September 2019. There is a potential site for the temporary building on the Wintringham development but the DLPT hopes to locate it on the grounds of the Round House school. The permanent site will be in the north-west corner of the Wintringham development – part of the District Centre that will also include a pre-school, health services, a community building, gym and small shops. See [www.wintringham.org](http://www.wintringham.org) for more details.

The new school will have (Round House headteacher) Mrs Bryden as its executive head, and the two schools will be closely linked. The DLPT senior leadership team will meet soon to discuss the admissions

policy for the Round House and the new school. The DLPT understands that this is a crucial issue for Love's Farm families, and will provide further details soon.

All of the above is subject to approval by various bodies including HDC Planning department and CCC. Please keep an eye on [www.ourlovesfarm.co.uk](http://www.ourlovesfarm.co.uk) and [www.roundhousecampaign.co.uk](http://www.roundhousecampaign.co.uk) for the latest news.

The closing date for the first round of applications for reception school places will be 15 January 2018, but CCC has given assurances that parents will be able to change their application once full details are confirmed.

---

## Community Champion Award Winners

LFCA hosted its annual Community Champion Awards at Love's Farm House on 20 October. It was combined with the annual general meetings of our community association and community centre and provided the perfect occasion to spend time with one another to celebrate the things we love and that matter to us on Love's Farm.

There were eight winners this year including volunteers, community groups and staff at the school and community centre. Keela Shackell-Smith received an Outstanding Contribution award for her tireless service to the community over a number of years, including roles as LFCA secretary, newsletter editor, Brownie Leader and initiator of the responsible dog owners group.

LFCA chair Marcus Pickering presents Keela Shackell-Smith with her Outstanding Contribution award

All the winners from this year's awards:

**Going the Extra Mile:** Jenny Bishop

**Young Enthusiast:** Ryley Pook

**Volunteer of the Year:** Maria Russo

**Spirit of Love's Farm:** Roxy Andrews

**Community Group of the Year:**

Love's Farm Runners

**Good News:** Round House School Team

**Champion Campaigners:** Round House Capacity Campaign

**Outstanding Contribution:**

Keela Shackell-Smith

The Nia group pose for a selfie under the disco lights

## Nia: Joy of Movement

**Saturdays 8am, Mondays 8pm**

Nia is a body-mind-emotion-spirit movement and lifestyle practice. It is a whole-body, non-impact fitness programme that draws from the wisdom of martial arts, healing arts and dance arts. Nia improves coordination, mobility, agility, balance and flexibility. Whilst moving you gain body literacy and awareness. Nia provides mindfulness and relaxation. Last but not least this is the place where you can have so much fun and find your community locally and worldwide too.

Ildikó Miklos is a certified Nia brown belt teacher and is looking forward to meeting you. Please join her on Monday 8pm and/or Saturday 8am. £8 per class, or £6 if you buy blocks of seven. See the What's On guide on the back page or online at [www.lovesfarmhouse.com](http://www.lovesfarmhouse.com) for dates. Visit [www.facebook.com/Ildinia](https://www.facebook.com/Ildinia) or email [ildiko.miklos@hotmail.com](mailto:ildiko.miklos@hotmail.com).

## Huntingdonshire Health Walks

In an effort to keep us healthy and happy, Huntingdonshire District Council organises a programme of guided walks across the district. Join the walk that suits you, which you can enjoy at your own pace but with the added benefit of the company of other walkers and trained walk leaders. There are eight each month in St Neots and many more elsewhere in Huntingdonshire if you want to get out and explore new areas and meet new people.

The next one starting from Love's Farm is a 50-minute walk on Monday 22 January – meet at 10am outside St Neots Football Club. In the meantime, you can join the team for a Christmas Party on Wednesday 20 December at Stukeley Village Hall (£4.50 per person, call 01480 388111 to book a place).

Visit [www.huntingdonshire.gov.uk/leisure/health-walks](http://www.huntingdonshire.gov.uk/leisure/health-walks) for more information, including the brochure that lists all the dates, times and locations up to February 2018.

## Love's Farm Blooms

Love's Farm Community Association (LFCA) has been given a sum of money by the now disbanded St Neots in Bloom and I have been asked to use it to enhance the natural beauty of the shared spaces across our community. My husband Max, who died earlier this year, was a great lover of nature, as am I, so I was glad to think about what British native bulbs, plants and shrubs might work best in the green spaces we share. The gift of flowers and shrubs, whether to mark a loss or celebrate a life, offers us a symbol of hope and healing. I have recently met with the Green Spaces team at HDC, who are full of enthusiasm

and have OK'd all of our suggestions for Love's Farm. The next job will be to plant bulbs in and bordering Auntie's Wood.

If you would like to help with planting, please give me a call on 01480 211 398 or 07709 903249. Please also get in touch to contribute an idea or share a name that you love and remember.

*Phyllis Hooper*
