The show lasts 90 minutes and is aimed at ages 3-7 but everyone's invited. Children must be accompanied by a parent or carer and the coffee shop will be open. Tickets are £5 per child; parents, siblings

Green light for Wintringham

On 19 March Huntingdonshire District Council granted outline planning permission for a new development to the south of Love's

Wintringham is a major new development, located south of Love's Farm (shown at the top-centre of this map).

Farm, known as Wintringham.

The proposed development includes up to 2,800 new homes, two new primary schools, a community centre, health facilities and 63,000 sq metres of new employment space. Visit www.wintringham.org for more details.

Representatives from lead developer Urban&Civic and HDC's Planning department have attended Love's Farm Community Association meetings in recent months to keep residents informed and listen to their concerns and recommendations. There will be many more planning applications for the designs of buildings, roads and other infrastructure, and we look forward to this dialogue continuing.

Everyone is welcome to attend LFCA meetings and be part of this consultation. Join us on the third Wednesday of the month, 7:15pm at Love's Farm House: the next one is on 20 April.

Are You Registered To Vote on 3 May?

On 3 May 2018 Love's Farm residents will elect two councillors to Huntingdonshire District Council and four councillors to St Neots Town Council. The deadline to register to vote is 17 April. Visit www.gov.uk/register-to-vote if you haven't already received your polling card.

The Town Council is responsible for areas such as promotion of the town, managing various public spaces and supporting local community organisations. Visit www.stneots-tc.gov.uk and www.huntingdonshire.gov.uk for more information.

In the February 2018 issue of Love's Farm News we offered to give a platform to candidates. The deadline for nominations is 6 April, so these will be available on our website from 7 April. Please head to www.ourlovesfarm.co.uk/election to find out who your candidates are.

Love's Farm Community Survey

The results of Cambridgeshire County Council's recent survey of Love's Farm show a high number of families with young children living here. It highlights London as a major centre of employment for residents, along with the significance of St Neots as a local employer. Almost half of all those participating in the survey intend to remain on Love's Farm for at least 5 years, emphasising the generally positive views that many respondents have about living there.

The survey was held to find out more about who is living on Love's Farm 10 years after the first homes were built, to further understanding of local demand for services. More than 400 responses were received, with a third responding online. Between November 2017 and February 2018 surveys were sent to Love's Farm's residents, asking about:

- the home they moved from and why,
- the home they moved to and why,
- information about the people living in the household,
- their work, study and travel patterns, and
- their opinions about living on Love's Farm.

The survey results will be used to inform local planning of services at Love's Farm and other new communities developing across Cambridgeshire. A more detailed summary of the findings was presented to Love's Farm Community Association (LFCA) in February 2018. Community Fun Day

Saturday 23 June

Save the date – our 2018 Great Get Together community fun day is happening on Saturday 23 June, 2-4pm on the Round House school field and then afterwards at Love's Farm House for busking and BBQ.

Plans are well underway for the day which will include epic exercise and fitness advice from Love's Farm Runners, tennis taster sessions, an ex-Cambridge Ladies Cricketer hosting a game of cricket, petanque will be back and there'll be old-style sports day fun, plus bouncy castles, side stalls and more hosted by groups from across our community. The afternoon will conclude with a mile long run, jog, scooter, walk, shuffle from the school field to Love's Farm House where the fun will continue with live music from an assortment of local Love's Farm buskers (feel free to bring an instrument) and a BBQ and bar. Please get the date in your diary.

A slalom of doggy do on the path beside our primary school.

Say Noo to Doggy Do

A big thank you to our volunteers for spraying dog poo pink as part of our campaign. Shockingly, the worst place by far was the path to the school where over 30 bags were filled yesterday by a kind dog walker picking it up.

In the previous week a grand total of 168 dog poos were painted. The aim of painting the poo is to highlight the problem, but also make children aware that it's there and should be avoided. The volunteers are also distributing new signs around Love's Farm to remind everyone of the fines for dog fouling. Please also note that that dogs should be kept on leads next to roads.

If you see dog fouling on Love's Farm please report it online at www.huntingdonshire.gov.uk/environmental-issues/dog-related-issues

Messy Church

Friday 8 May, 3:20 - 5:20pm
Love's Farm House

Messy Church is back on 8 May and

will run at Love's Farm House straight after school. It will include the usual mix of themed activities, food and fun all designed to help us think together about Pentecost. What on Earth is Pentecost, you may ask? Come and find out – but in a nutshell it's what happens after the Easter story! Messy Church is hosted by the Breakfast Church team and is free, although donations are welcome on the day. Children do need to come with a grown up. More info from Helene community.chaplain@yahoo.co.uk.

Muddy Church

**Sunday 29 April, 10am
Auntie's Wood**

On 29 April Breakfast Church will head for the great outdoors and do another Muddy Church. Meet for breakfast at 10am at Auntie's Wood followed by some outdoor activities thinking about 'homes'; forest homes and temporary homes plus the importance of 'place' – and the truth that home is where the heart is.

Smarten up the Farm

**Saturday 19 May, 11am and 2pm
Meet at the Pirate Ship**

Join other community volunteers to help clear and clean our shared spaces and green places. If you notice particular litter hotspots please e-mail Helene at community.chaplain@yahoo.co.uk and hopefully we can deploy volunteers on the day.

Congratulations to Caroline, Martyna and William on their grading success.

Karate Success

Three students from the St Neots Tang Soo Do karate club were successful at the regional belt grading held at Cambourne on 11 March. Junior beginners Martyna and William took their first step onto the belt ladder while senior Caroline double graded due to her previous experience in another style of martial arts. Congratulations to all three, just reward for all that hard work.

The club meets on Wednesdays, 5:30 to 7pm at Love's Farm House. Contact Paul on 07790 217170 for more information.

Love's Farm Parking Restrictions Update

The latest from County Council Highways is that they are finalising detailed draft proposals. This has taken longer than anticipated in order to balance requirements for safety and improved traffic flow with parking needs of residents. Publication of draft proposals and formal consultation will be May (after District and Town elections.)

Love's Farm Blooms

LFCA has used some of the money donated by St Neots in Bloom to plant 1,200 English bluebells, 400 wild daffodils and 400 wood anemones in and around Auntie's Wood. A huge thank you to all that helped plant them. Lots of children were involved and that is good, because the bulbs will take a few years to get established, so these young people should have years to enjoy their efforts. A bluebell wood in May is a wonderfully calming, inspiring and reflective place.

Watch out for the next phase of the enhancement of our green spaces. If anybody has their own ideas please contact phyllis.hooper@btinternet.com.

Easter Fun at the Farm House

School may be closed for two whole weeks, but don't fear, there is plenty of fun to be had at Love's Farm House this Easter. On Good Friday Messy Church will be meeting in the morning to learn about the Easter story through crafts and games, followed by hot dogs for lunch. Breakfast Church will continue the Easter Theme on Easter Sunday, and of course it wouldn't be Easter without LFCA's Chocolate Bingo on Thursday 5 April at 6.30pm. For the kids there are dance workshops run by Tiny Tots Dance on 3 and 4 April, and Limelight Entertainment's Easter workshop will be inspired by *Frozen*, with games and crafts for children aged 3+ (all workshops must

be booked in advance). For the very little ones, St Neots Library will be bringing their Baby and Toddler Rhymetime to Love's Farm House on Friday 6 April at 10.30am and Love's Farm Starlings will be running on Wednesday afternoons from 1.30 to 3pm, with toys and games for babies and toddlers, as well as baby weighing on 4 April. Mrs Bubbles is coming to Love's Farm House on Monday 9 April (see page 1). And of course Switch Café will be running on Thursdays and Fridays 10am-2pm throughout the school holidays for freshly prepared lunches, yummy cakes and hot drinks (no café on Good Friday). With so much to do, the school holidays will fly by!

Cocktails and Karaoke

Friday 6 April and 4 May, 8pm

Love's Farm House turns into a hotbed of Karaoke-flavoured fun on the first Friday of the month. We have 1,280 songs to choose from, four microphones, full disco lights and lyrics projected onto our cinema screen. It doesn't improve the quality of singing one iota but there are always top marks for effort.

And what better way to get you in the

Karaoke and cocktails every first Friday of the month

mood than with a freshly prepared cocktail. The menu changes each month and prices are very reasonable. Whether you fancy a Bruno Martini or a Barry White Russian, you know where to go.
