## Community Awards, AGM and Quiz Night

**Friday 12 October, 7:30-11pm**  
**Love's Farm House**

Your community association works throughout the year to make Love's Farm a better place to live, and in October we invite everyone to get together to celebrate the successes of the past year and look ahead to the future.

2018 is shaping up to be a great year

Meet your neighbours and find out about LFCA's activities at our annual meeting, awards and quiz night.

for the Love's Farm community. We've seen the opening of Wintringham Primary Academy ahead of schedule to accommodate the children who weren't offered a place at the Round House, some fantastic community events including the Big Lunch and Great Get Together, and significant progress on parking restrictions and fencing for the Pirate Ship playground (see page 5). LFCA is proud to support these initiatives, and this is our chance to come together as a community to celebrate the people who make these things happen. We also want your input on LFCA's priorities for 2019, so please come along to meet your neighbours and share your thoughts.

The evening will also include a quiz and our annual Love's Farm Community Awards. There will be discounted fish and chips from Cox's at the Lighthouse, and the bar will be open. Hope to see you there!

## St Neots Film Festival

**7-9 November, Cineworld St Neots and Love's Farm House**

The St Neots Film Festival is back for a

third year, showing a rich variety of short films across three nights and two venues.

This year the festival received over 2,000 submissions, and while it wasn't easy whittling them down to just 50, it means the quality of the selected films is better than ever.

The festival takes place over three evenings. Children, Teenage and Documentary categories will be shown on Wednesday 7 November, 6-9pm at Cineworld, including films made by children at the Round House school. On Thursday, 6-9pm films in the Fiction category will be screened at Cineworld. On Friday from 7:30pm, the festival decamps to Love's Farm House to screen the winning films again, along with Q&A sessions with the filmmakers.

Tickets are available now from [www.stneotsfilmfestival.co.uk](http://www.stneotsfilmfestival.co.uk).

## British Craft Ale and Cheese Tasting

**Friday 16 November, 8pm-12am  
Love's Farm House**

After the great success of our Belgian beer evening in June, Love's Farm House is teaming up once again with Shumë, the new bottle emporium in Cross Keys Mews, St Neots for an evening of the best of British beer and cheeses.

The new wave of British ales is exploding with character, from the big flavours of Citra and Mosaic hops to IPAs made with lactose and vanilla pods. We'll be pairing them with some extraordinary cheeses

Craft ale: like normal beer, but much better.

that might just melt your heart... or make your ears fizz with pleasure. Tickets cost £15 for a tasting menu of five beers and five cheeses for you to sample.

Shumë stocks over 30 British craft beers, and the full range will be available to try at the Farm House Bar on Friday 16 November from 8pm.

Head to [www.lovesfarmhouse.com](http://www.lovesfarmhouse.com) to buy tickets online, or pop into Love's Farm House (9am-3pm weekdays) or Shumë, Cross Keys Mews to buy tickets in person.

## Love's Farm Blooms Latest

The soggy August Bank Holiday weather may have been unfortunate for events but the rain was welcomed by me and the lovely family whose house overlooks what I am calling Yardgate.

All summer we have been trying to eradicate the Bindweed on this little corner. We, your Guerrilla Gardener and helpers, dug buckets and buckets of spaghetti roots out and put some plants in. The clay was like concrete. Hand watering, though done, was just not going to be enough!

In my memory of the early days of Love's Farm and a photo I once saw, I think this plot is just south of the old farmyard, and the Poplar tree is the only one remaining from a number around the old house. Thus I have chosen what I think are old fashioned garden flowers that will seed and spread. We could even add a few vegetable plants, or anything anyone might suggest or donate.

The next area to tackle will be the south-west corner. Any ideas welcomed.

## A Pirate's Tale

When Jack Sparrow set sail looking for Davy Jones' Locker I think we can assume that road safety was not the first thing on his mind. Unfortunately for the little pirates of Love's Farm, the risks of a high seas adventure extending outside the boundaries of the Pirate Ship play area onto Great High Ground are all too familiar to the families of our community.

Luckily, all good adventure stories have a heroine waiting in the wings and in local resident Katie Boldero, the Love's Farm community have found the answer. She recognised that the fencing around the Pirate Ship needed improvement and with swashbuckling endeavour she decided to do something about it.

Using a petition to gauge local opinion, it quickly became apparent that other residents were very much in agreement.

With support from LFCA and myself as your district councillor, 500 signatures were collected. Next, we contacted Huntingdonshire District Council with an initial proposal of fencing plans and how to finance it.

Time passed and following on from our initial shot across the bows, one very early summer morning I met a representative from the operations division of HDC for a site visit.

At the end of August, it was confirmed that, following the efforts and lobbying of the local community, the operations team have given the go-ahead for additional safety fencing around the Pirate Ship Playground.

I would also like to take the opportunity to thank Katie for asking me to get on board with this adventure. All of your councillors for Love's Farm are available to discuss any local issues (contact details on page 7, or come to the councillor surgery, 10-11am on the first Saturday of the month at Love's Farm House). We can't promise to answer and fix every query or indeed get such a positive outcome as this case, but we will try.

*Cllr Nik Johnson*

## Arise, Keela MBE

Love's Farm resident Keela Shackell-Smith has been made a Member of the Order of the British Empire in the Queen's Birthday Honours List 2018.

In 2010 Keela set up the Environment Agency's award-winning, 2200-member Women's Network, providing a safe space to raise issues and take action to improve the experiences of women in the workplace. In 2015, she used this experience to create the Cross Government Women's Network with the Cabinet Office, supporting 60 networks representing 32 Departments and agencies. She is recognised within the Environment Agency and across Government as an inspirational leader in diversity and inclusion, specifically in gender equality.

It was for these, and other reasons, that we nominated Keela for an MBE.

Keela's open and honest approach has built a culture of trust and support for Women in the Environment Agency. Her influence has changed policy and improved the gender split at all levels of the organisation. Keela's passion and commitment inspires, promotes, and encourages women at every opportunity. Keela is a brilliant communicator and is great at helping people to connect. There are so many people who feedback on the positive impact Keela has had on their lives, how they feel they can be themselves, and what a role model she is. Keela selflessly mentors others, inspires people and gives her time voluntarily to the network, as well as to a whole range of other voluntary roles including being an active member of Love's Farm Community Association (LFCA) and as a Brownies Leader. Keela is a great Royalist, and we are absolutely certain that the Queen is looking forward to meeting her when she collects her MBE!
