## Love's Farm East Moves a Step Closer

On 22 November, Huntingdonshire District Council approved the Design Code that sets out the principles for the design of Love's Farm East.

Located to the east of Love's Farm, the new development received outline planning consent in August 2019. The details agreed back then included up to 1,020 homes, a primary school, pub, hotel, care home and employment space. Rather than provide new community or health facilities on Love's Farm East, the developer will make a financial contribution towards these buildings being provided on the Wintringham development to the south.

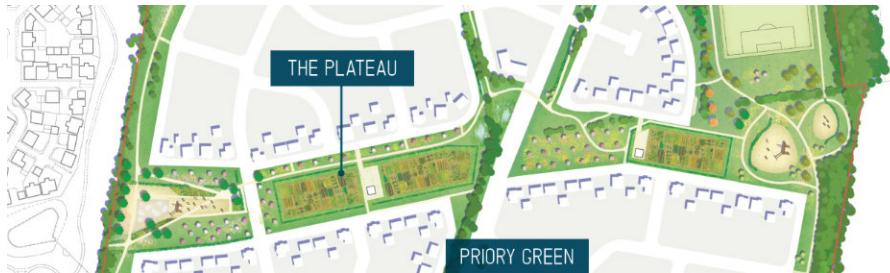

The Design Code that was approved on 22 November 2021 goes into more detail, setting out various principles for the layout and design of the development. These include the locations of green spaces and

Love's Farm East will provide 1,020 new homes, a primary school, pub, hotel, care home, employment space plus sport and recreation facilities.

hedgerows, sports pitches and pavilions, allotments, play areas and a skate park. It covers lots of other topics such as building heights, road widths and the guiding principles for building designs, lighting and parking.

A road link suitable for buses was

"The Plateau" will extend the green corridor that currently starts at Auntie's Woods, and will include a skate park, playgrounds, allotments, orchards and football pitches with a pavilion building.

proposed to connect with Clark Drive, but following feedback from Cambridgeshire County Council's Highways Officers — as well as from Love's Farm Community Association — about the unsuitability of Clark Drive as a bus route, this connection has now been designated as being for emergency vehicle use only. A similar emergency vehicle route is proposed for Whiston Way.

Lara Davenport-Ray and Ben Pitt wrote to HDC planning officers and attended the HDC planning meeting on behalf of LFCA to raise a number of points. One of these was that the green corridor — or the wiggly path, as we fondly call it on Love's Farm — would be disrupted by these emergency vehicle routes. Sadly this concern was dismissed, as the outline planning consent had already established that road connections would be created between the two developments.

They also raised concerns about visitor parking, lighting on paths, traffic calming and shared-use roads (where there is no pavement on

residential streets). They highlighted opportunities to encourage the use of solar panels and heat pumps — not something HDC planners can enforce under current legislation, but an easy opportunity for the developer, L&Q Estates, to boost its environmental credentials.

A couple of small victories were notched up, with the Design Code now stating that the installation of photo-voltaic solar panels "will be encouraged", and that the section of the Code that covers lighting will specify that paths will be sufficiently well lit to promote personal safety.

To find out more, search online for the HDC planning portal, search there for 21/80194/COND and download the Amended Design Code.

## LFCA Community Champions 2021

On Friday 12 November, LFCA held its annual Community Champion Awards at Love's Farm House. After the turmoil of the last 18 months, we had two years of champions to celeb-

rate, and we're delighted to announce some extremely worthy winners.

The **Getting Stuff Done Award** went to Lara Davenport-Ray. Lara has got stuck in with all sorts of tasks and projects, from the East-West Rail consultation to recycling schemes.

Adam and Zak Gharsallah won the **Green Fingers Award**, thanks to their regular help on gardening projects, litter picks and building Hedgehog Hotels.

Katie Rush was our **Lockdown Legend** for setting up the Little Lockdown Library in the front porch of her house, and for the Love's Farm Book Club, which she co-founded and kept going throughout the various lockdown restrictions.

Our **Star Behind the Scenes** award was presented to Mark Kipping, treasurer of Love's Farm House. Mark did an exceptional job of keeping the charity afloat during the pandemic.

Caroline Henderson won the **Dogged Determination Award** for her heroic efforts to get a Neighbourhood Watch Scheme set up across the whole of Love's Farm.

The **Going the Extra Mile** award went to Louise Sales at St Neots Town Football Club. Louise and her team organised 100 Christmas dinner hampers, hosted charity matches and lots more to make the past year more bearable for the local community.

Our Mayor, Stephen Ferguson, won the **Committed to the Community** award. He's been an amazing

Marcus Pickering presents the Going the Extra Mile Award to Louise Sales.

ambassador for and champion of our town, and on Love's Farm we are proud to call him one of our own.

Di and Steve Briggs won the **Spirit of Love's Farm** award. Their hard work, generosity and kindness are perfect examples of everything we stand for as a community association.

Last but certainly not least, Marcus Pickering was presented with the **Outstanding Contribution** award. Marcus has been the chair of LFCA for the past eight years. The success of the Community Association — and the amazing community life we enjoy on Love's Farm — is, in so many ways, down to him. Marcus stood down as the chair of LFCA this year, and so, on behalf of the whole community, we'd like to say a huge "Thank you" for everything he's done.

## LFCA 2.0..?

Marcus's resignation as chair of LFCA (see above) leaves a big hole in our organisation, but we're determined to see this as an opportunity

rather than a problem.

Marcus covered many roles — chairing meetings, liaising with developers and the council, being the first point of contact for many residents and much more besides. We hope to still be able to draw on his expertise going forwards, but we're taking this opportunity to review how the community association operates, what we stand for and what we want to achieve. There are no right or wrong answers, so it's down to those involved to steer and shape LFCA into its next chapter.

We'd love to hear from people about what they think is important. You can do this via our survey at [www.ourlovesfarm.co.uk/survey](http://www.ourlovesfarm.co.uk/survey). We'd also love to hear from you if you would like to get involved. Perhaps you have an idea for a community project — it could be a problem that needs addressing or something that will benefit the community. LFCA is here to help make it happen. Get in touch via [chair@ourlovesfarm.co.uk](mailto:chair@ourlovesfarm.co.uk).

## The Farm House Bar is Back!

Fridays evenings,  
Love's Farm House

Get ready for some Friday fun now the Farm House Bar has returned. Running every Friday evening (with a short break for Christmas) at Love's Farm House, the Farm House Bar is the place for neighbours and friends to catch up and have some fun. There's a friendly atmosphere, a short walk home, and with well-behaved children welcome until 9pm you don't even need a babysitter.

There's a regular schedule of entertainment on offer. The first Friday of each month is the ever-popular Cocktails and Karaoke. Come along from 8pm to test your singing skills, with cocktails (and mocktails) available for Dutch courage and absolutely zero musical talent required!

The second Friday of the month is reserved for special events and on 10 December we have the amazing Lucy

Bunce, harpist and vocalist, visiting us for a special concert of Songs for Christmas (more information below).

Love's Farm Book Club meets in the hall on the third Friday of each month, so we make sure there's plenty of gin available. Everyone is welcome. For more information on this month's book search for "Love's Farm Book Club" on Facebook. If books are not your bag, the Foyer is also open for anyone wanting a drink and a non-literary catch-up.

The last Friday of the month is reserved for our Quiz Night. Expect lots of fun and random questions. Bring your own team (max six people per team), or just come along and we'll find a team for you to join.

Come on down and enjoy the best (and arguably only) place to spend your Friday night on Love's Farm!

## Songs for Christmas

Friday 10 December from 8pm at  
Love's Farm House

On Friday 10 December we welcome harpist and singer Lucy Bunce to Love's Farm House. You may have seen Lucy at her recent appearance at the St Neots Micro Festival. She will be performing Songs for Christmas to get us in the festive spirit.

Admission is free, though donations are welcome in support of the Love's Farm Community Money Advice service. There will be nibbles on the tables and the bar will be open.

Singer and harpist Lucy Bunce performs at the Farm House on Friday 10 December from 8pm.

Gather your friends and neighbours and come on down to Love's Farm House for an evening of Christmas music and Christmas spirit!

You can find more information about Lucy at [www.lucybunce.com](http://www.lucybunce.com).

## Community Carols

Sunday 19 December, 7pm,  
Station Square

Community Carols are back again this year in Station Square on Sunday 19 December at 7pm. Chris Hatt (musical director for Hamilton) will bring his keyboard to help us sing some traditional Christmas carols and songs. Come with your neighbours and family for this annual Christmas community sing-along!

Chris Hatt helps us get in the mood for Christmas with some carol singing on Station Square.

## What's New at Love's Farm House

### Stitch Street Crochet Club

| Mondays 1-2pm

Did you know there's a Crochet Club on Love's Farm? Stitch Street Crochet Club meets in the Meeting Room at Love's Farm House on Mondays at 1-2pm for crochet and a chat. Sessions cost £2.50. Jenny from Stitch Street can support beginners learning to crochet or help you to brush up on your skills. All ages and stages are welcome to drop in.

For further information, message Jenny at [www.facebook.com/stitchstreetcrochet](https://www.facebook.com/stitchstreetcrochet). Otherwise just come along. Check the What's On Guide on the back page or at [www.lovesfarmhouse.com/whats-on](https://www.lovesfarmhouse.com/whats-on) for dates the club is running.

### Acro Academy Tots

| Thursdays 11.30-12.15pm from 6 January 2022

Following the success of their after-school Acro Dance club at Love's Farm House, which runs on Monday afternoons for school-age children, Inspirations are starting a pre-school Acro class on Thursday mornings from 6 January 2022. In these classes, children aged 2-5 will learn basic Acrobatic Dance skills and moves while having lots of fun. All children must be accompanied by a parent or carer throughout the session.

For more information or to book,

Acro Academy Tots, coming to Love's Farm House from January.

visit [inspirations.dance/classes](https://inspirations.dance/classes) or email [office@inspirations.dance](mailto:office@inspirations.dance).

### Neighbourhood Watch

Neighbourhood Watch has been up and running for over two years now. In that time we've been able to raise funds for 27 signs that have now been placed around Love's Farm.

We still need more members to help with activities such as fundraising and taking part in campaigns such as Bike Security, Antisocial Behaviour and Car Crime.

Neighbourhood Watch can only succeed with people's support, and there are several ways you can get involved:

- 1) Sign up to the scheme at [www.ourwatch.org.uk/scheme/39264/loves-farm-community](https://www.ourwatch.org.uk/scheme/39264/loves-farm-community) (make sure to find the "Love's Farm Community" scheme if you're searching)
- 2) Follow the dedicated Love's Farm Neighbourhood Watch Facebook page.
- 3) Volunteer — we need some help with putting up signs (no particular skills, you just need to be confident

up a ladder). There are also a few admin tasks such as managing the Facebook page.

4) Meetings are every fourth Wednesday of the month, currently via Zoom but hopefully in person soon. Please register to join the Love's Farm Community scheme to receive the meeting invites.

If you can help with any of these things, please email Caroline Henderson at [neighbourhood-watch@ourlovesfarm.co.uk](mailto:neighbourhood-watch@ourlovesfarm.co.uk)

### Love's Farm Seniors Social Group

The Love's Farm Seniors Social Group is a new community project set up by Di Briggs. It is for anyone who is retired and would like to meet others of a similar age for a cuppa once a month. If you don't have children or a dog it can be difficult for older people to connect with others, so the Seniors group was started to help with this and particularly for new people moving to Love's Farm.

The next meeting will be held at the café at Love's Farm House on Tuesday 14 December from 10.30 till noon. Everyone is welcome.

Love's Farm Seniors Social Group at their first meeting in September.

There is also a WhatsApp group to keep people in touch and arrange to meet outside of the monthly gatherings. Drop Di a message at [dianebriggsgy@gmail.com](mailto:dianebriggsgy@gmail.com) or on 07980 977245 for more information or to join the WhatsApp group.

### 2<sup>nd</sup> St Neots Scouts KISC Fundraiser

| Sat 4 December, 7:30-11:30pm, St Neots Town Football Club

Join 2<sup>nd</sup> St Neots Scouts for a pre-Christmas Family party at the Gregory Suite, St. Neots Football club.

Tickets are available from the Scout Hut during meetings or on the door. They cost £5 per person or £18 for a family of four. That covers your entry fee, a quiz and live music from the amazing covers band Tone Red. There will also be a BBQ, raffle, and the bar will be open.

It's a fun way to raise funds to take the 2<sup>nd</sup> St Neots Scouts to Kandersteg International Scout Centre in Switzerland. It promises to be a fantastic night and it would be great to see as many people there as possible.

### Loves Farm Ladies WI

| 20 January, 7:30pm, Reedman's Bar, St Neots Town Football Club

Loves Farm Ladies WI are proud to be part of the National Federation of Women's Institutes.

They set up nearly four years ago in response to a general call out to

Love's Farm Ladies WI meet at the Football Club.

ladies on the estate.

The group meets in the Football Club on the third Thursday of each month. After discussing official business, including updates from the regional and national level of the organisation, they take part in an activity or hear from a speaker. Activities can range from arts and crafts, cookery and fitness tasters, to games, quizzes and campaigning efforts.

A refreshment break gives everyone time to catch up with friends, eat cake and get to know new members and guests. They hold a raffle to raise funds and recognise members' birthdays with a small 'lucky dip' gift.

If you would like to join in, the next meeting is on 20 January at 7.30pm in the Reedman's Suite, St Neots FC.

For more details about the Loves Farm Ladies WI, please call Jayne on 07792 824707.

## SMART

**Saturday 15 January, 11am or 2pm, meet at the Pirate Ship**

Our next community litter pick will be on Saturday 15 January 2022,

meeting at the Pirate Ship at 11am and 2pm and providing us with a New Year opportunity to come together and clear our shared spaces and green places of litter. Come for as little or as much time as you have — litter pickers and bags provided.

## Farewell and Thanks to David Wells

David Wells has stepped down as one of our two District Councillors for health reasons.

David has served the Love's Farm community in several roles over many years — firstly as Treasurer of LFCA, then as Town Councillor and District Councillor. In addition, as County Councillor for another division he often went in to bat for us on Love's Farm issues.

David's achievements include securing parking controls for Love's Farm, removal of some of our more dangerous chicanes, and extra lighting for the Fox Brook area.

We are enormously grateful for David's dedicated service and wish him, and his wife Lynn, all the very best as they enjoy David's retirement. There will be elections in May for the whole of the District Council, and so David's seat will remain vacant until then. In the meantime, you can contact Ben Pitt for any District Council matters (see p11).

## Farm House Café

**Tuesdays 9am-12 noon, Love's Farm House**

The Tuesday morning café at Love's Farm House runs from 9am to midday every Tuesday during term time. It offers a morning oasis and the opportunity for a catch up with neighbours, a quality cup of coffee, tea, hot chocolate or chai latte and a 'second breakfast' pastry!

## Youth Café

**Wednesdays, 3:30-5pm, Love's Farm House**

September saw the relaunch of Youth Cafe on Wednesday afternoons. It's great to see so many young people come along week by week and bring friends.

There are no planned activities — it's just about providing a space for the young people of our community to hang out in a safe environment locally. The milkshakes are a real winner it seems!

Anyone in school years 7 to 13 is welcome to drop in.

## Youth Alpha

**Thursdays, 6-7:30pm, Love's Farm House**

Love's Farm Church's first Youth Alpha group has been meeting on Thursday evenings to discuss and explore the big questions of life. It's been a great opportunity to explore

the concept of faith together. If there are more young people that would be interested, the group leaders will do their best to run it again. Contact Adele at [adele.jones@elydiocese.org](mailto:adele.jones@elydiocese.org) for more information.

## Advent Activity box

Love's Farm's Community Chaplain, Helene, has a supply of Advent Activity boxes with a range of crafts and stories to enjoy over the weeks leading up to Christmas. The boxes have been put together by the children's team of the national United Reformed Church and are offered free of charge. Contact Helene at [community.chaplain@yahoo.co.uk](mailto:community.chaplain@yahoo.co.uk) if your household would like one.

## Christmas Eve Nativity Play

**Friday 24 December, 4pm, Love's Farm House**

Join the Breakfast Church team for a Christmas Eve community nativity play. Come along to Love's Farm House at 4pm and take part (or just watch) a homegrown nativity play. Children (and grown ups if you want!) should come dressed as a nativity character of their choice to help tell the story at the heart of Christmas.

We'll be together for about an hour, and as well as the play there'll be candles, hot chocolate, cookies, carols and community. For more info contact Helene on [community.chaplain@yahoo.co.uk](mailto:community.chaplain@yahoo.co.uk).

Jesus, Mary and Joseph enjoying some winter sun at the Community Garden at 76 Stone Hill.

## Breakfast Church on Christmas Day

Saturday 25 December, 11am,  
Love's Farm House

Breakfast Church will meet at 11am on Christmas Day at Love's Farm House for a light breakfast and Christmas celebration that will last about an hour.

Straight afterwards we will lay a table and finish preparations for Christmas dinner. Everyone is very welcome to attend either or both, even if you don't usually come along to Breakfast Church.

It would help to know if you're planning on dinner, so please just drop Helene a message at [community.chaplain@yahoo.co.uk](mailto:community.chaplain@yahoo.co.uk).

## Love's Farm Drains

Drains normally rely on gravity to transport foul water to a water treatment works. Pumps are needed when gravity isn't sufficient. There is a sewerage pumping station at the

bottom of Love's Farm, adjacent to the Hooper's Green building site.

Even though they form a crucial part of modern life, drains are not considered by some people worthy of much interest. But when they get blocked they can cause considerable expense to householders to put right.

Anglian Water, the company that provides sewerage and clean water services to Love's Farm, report that they spend hundreds and thousands of pounds every year on unblocking their network. Although the system on Love's Farm is relatively new, one of the pumps serving it failed recently. To make matters worse, the lower end of Love's Farm is more susceptible to flooding. It is therefore in everyone's interest to keep all the drains and sewers on Love's Farm in good condition.

So how can residents help?

Nothing should be put down a lavatory except the three P's: poo, pee and paper. Certainly not wet wipes, nappies or cotton buds. Cooking fat, paint, sand or builders rubble should not be emptied into sinks or drains.

It's also really important that everyone disposes of their litter properly. If it gets into the many attenuation ponds around Love's Farm, it can block them. They are designed to store excess flood water that eventually flows into Fox Brook and Hen Brook into the Great Ouse.

Thank you for helping!

*Siriol Hogg*
