## Hogsden Leys Crossing

LFCFA invested in a temporary sign to discourage parking near the crossing on Hogsden Leys

The chair of Love's Farm Community Association (LFCFA) Lara Davenport-Ray has been working with local authorities to resolve safety concerns about the pedestrian crossing on Hogsden Leys. This site is complicated by a blind bend, a chicane, variations in road markings, on street parking and a well-used crossing for pedestrians, cyclists and school children.

Lara presented several potential

improvements to the Town Council and Cambridge County Highways Officers. Both required changes to our ideas before the process could continue. As a result, an improvement has been proposed to remove on-street parking between the crossing and Wood Ridge Crescent on both sides of the road. LFCFA has requested that this is implemented at the same time as additional on-street parking spaces further south on

Hogsden Leys. The space for additional on-street parking was created when a chicane was removed several years ago.

In January the Town Council agreed to part-fund and support an improvement proposal to the County Council. We now await a decision from the County Council on whether they will approve the scheme and commit the balance of required funding. If the scheme is approved this spring, then much more detail will be available to share with residents.

## Remembering Jo Whitney

Jo Whitney, one of the longest serving and much loved teaching assistants at the Round House school, died at home after a short illness earlier in January.

Miss Whitney (as she was known by all the children) joined the school in 2009 and worked mostly with the Years 5 and 6 children, but also as part of the Magpies after-school team. When Simba the dog joined the school, she added his care to her list of duties. She could often be heard calling for him in the school corridors and slipping him titbits of food.

Miss Whitney was a larger-than-life character and a huge presence in the school. She was a great encourager and cheerleader, she was honest and hilarious, she loved school dinners and hated school trips!

She was especially brilliant with

Jo Whitney enjoying lunch with Simba

children who were struggling, but lots of children at the school have a story to tell and a special memory of Miss Whitney to share: whether that was putting your chair on top of your desk if you hadn't pushed it under the table, messing about with school displays, telling risky jokes, sneaking treats to Simba or going 'missing' and dipping into classes just to say hello,

Miss Whitney filled the school with her humour and humanity. She loved the Round House school and the Round House school loved her. News of her death was met with a wave of sadness.

However long ago it was that you were at school, memories of your own teachers will be surfacing. Hundreds of children will be remembering Miss Whitney their whole lives long and not least because love endures. She left a double helping of love in many, many hearts.

## Water Outages: Response from Anglian Water

On 18 January, Anglian Water joined the LFCA committee meeting with an update on our water supply and infrastructure.

After months of frequent water outages, upgrades to the pumping station and pressure boosters were installed in November. This is located next to the railway bridge on Priory Hill. Since November our water shortages have significantly reduced.

Our frequent water losses are also a result of interruptions to the local electricity supply. Millisecond power cuts, that would not affect domestic supply, do affect Anglian's pumping stations. Our area, which includes Yelling, Toseland, and stretching across to Graffham Water have all been affected. UK Power Networks would need to significantly invest in the Grid to further reduce power cuts.

## 905 Bus Service

Over the past months many of you have experienced frequent cancellations on the 905 bus route to and from Cambridge. In November, Cllr Lara Davenport-Ray wrote to the CEO of Stagecoach to share our frustration with the cancellations and ask for clarity on the new 905 route.

The response from Darren Roe was disappointing but also enlightening. There are currently not enough bus

drivers but many are in training. Even more concerning is the reality that "the 905 is forecasted to be significantly loss making for [Stagecoach]" but they "have a strong marketing campaign planned for the service and as we grow the service we will be able to look further at enhancing the frequencies."

In summer 2022, Stagecoach held an open forum at Longsands School, where they committed to provide one hourly fast and one hourly stopping service to Cambridge. The feasibility of this service is equally bleak:

"The losses which we are facing on the 905 mean that we cannot afford the vehicle investment needed to

Trained in Holistic Therapy, Indian Head Massage and Deep Tissue Massage, at Unwind, the focus is placed on individually tailoring each session by adapting my techniques to what your body needs. Even better, I can come to you with my portable massage bed, so you can relax in your own home comforts.

30 minutes - £30

45 minutes - £45

60 minutes - £55

Please contact [unwindtherapy22@gmail.com](mailto:unwindtherapy22@gmail.com) if you're ready to Unwind, or visit 'Unwind at Loves Farm' on Facebook.

I look forward to seeing you.

make that idea work. We have therefore listened to residents at that meeting and made the service fast down the A428 and returned it to the Madingley Road."

## Valentine's Disco

Saturday 18th February 2023,  
6pm to 9pm, Love's Farm House

Valentine's Day is just around the corner and there's no need to book a babysitter because you can celebrate with the whole family at the Love's Farm House Valentine's Disco!

In our beautifully decorated hall we will have cheesy hits to dance to, lots of games for the kids, Valentine's themed cocktails, mocktails and snacks at the bar, and prizes galore.

Steve Mulvey Photography will be running a pop-up photo studio, so put your glad rags on and pose for a beautiful family portrait. Prints will be available to purchase on the day, or you can take your time and choose photographs to buy from the online gallery after the event (photoshoot slots are subject to availability).

Valentine's Disco tickets cost £3 per person (babies under 1 are free). All children must be accompanied by a parent or carer. Book your tickets at [www.lovesfarmhouse.com/tickets](http://www.lovesfarmhouse.com/tickets).

## Love's Farm Book Club

Just a few of the books enjoyed by Love's Farm Book Club in the past year

The book club meets every third Friday at the Love's Farm House Bar. Every month a new book is chosen by the group from a different theme or genre. Everyone is welcome and it's a great opportunity to meet new people from the local area.

Get involved on our Facebook group at [facebook.com/groups/lovesfarmbookclub](https://facebook.com/groups/lovesfarmbookclub).

## What's New at Love's Farm House

### Fitness Pilates

| Wednesdays 10.30-11.30am

Following the popularity of their Monday evening Fitness Pilates class, NJ Fitness have introduced a new daytime class on Wednesday mornings. Pilates will teach you the skills to improve your posture, balance and mobility, focusing on strengthening your core and preventing injuries. There is also a relaxation section at the end. Classes are mixed ability, with plenty of options to challenge

you at the correct intensity.

Sessions cost £45 for a 6-week block. Contact [Njfitnessandmassage@outlook.com](mailto:Njfitnessandmassage@outlook.com) or visit [www.njfitnessandmassage.com](http://www.njfitnessandmassage.com) for more information and to book.

## The Good Sense Antenatal and Baby Classes

| Thursdays 11.20am-12.35pm & 1-1.45pm from 23 February 2023

The Good Sense Antenatal and Baby Classes are bringing their classes to Love's Farm House this month. Massage & More is suitable for babies from birth to 5 months and is an introduction to age-appropriate sensory stimulation, with gentle songs, movement, massage and reflexology (oil provided). Parents will come together at the end of the session to bond over their parenting experiences (and biscuits). Over the five-week course you will learn a full body massage, including colic management and reflexology for reflux.

For older babies aged 3/4 months (with good head control) to 8 months, Sensatots provides 5 weeks of sensory stimulation, noise, toys, bubbles and upside-down babies. Starting with a movement segment designed to develop balance, coordination and prepare little bodies and minds for crawling, we will work on our impulse control using the twinkly bells and discover what's in the box!

Massage & More sessions cost £60 for a 5-week block, while Sensatots

cost £45 for a 5-week block. For more information or to book, visit [www.goodsenseantenatalandbabyclasses.com](http://www.goodsenseantenatalandbabyclasses.com) or message Nikki at [facebook.com/thegoodsenseclasses](https://www.facebook.com/thegoodsenseclasses).

## Love's Farm in Bloom

Lilyana and Phyllis have finished doing the main planting of the planter boxes on the station approach. A few of the first plants were hit hard by the December freeze; time will tell if they recover. There are bulbs planted and there's some top-dressing to do.

Phyllis and her team have also started tidying up Station Square but the weather has not been conducive! Contact Phyllis at [phyllis.hooper@btinternet.com](mailto:phyllis.hooper@btinternet.com) or 07709903249 if you would like to get involved.

Phyllis and her team have taken over care of the planters on the station approach

## Half Term at Love's Farm House

There's plenty of half term fun to be had at Love's Farm House this month.

**Silver Rock Crafts** will be celebrating with a Valentine's Day-themed

craft workshop for children aged 5+ on Tuesday 14 January from 10.15am to 11.45am. Bring out your child's creative side through a range of craft activities — and make sure they dress for mess! £8 per child, booking essential. Visit [www.facebook.com/SilverRockDesigns](https://www.facebook.com/SilverRockDesigns) for more information and to book your child's space.

On Wednesday 15 February from 9am to 3pm, **Katy North Dance Academy** will be bringing back their popular school holiday workshops, this time with a musical theatre theme. Children will learn songs and dance routines from some of their favourite musicals in this one-day workshop. The workshop costs £22.50 per child (ages 7+). Contact [katynorth.danceacademy@gmail.com](mailto:katynorth.danceacademy@gmail.com) or visit [facebook.com/katynorthdance](https://www.facebook.com/katynorthdance) for more information or to book your child's space.

For families with children who have special educational needs and disabilities, **Living Sport** will be running a SEND family fun morning on Thursday 16 February from 10am to 12noon. There will be mini-games, adapted sports such as table cricket and boccia, soft play, and a quiet corner. Parents can grab a cuppa and chat with other families, and the Living Sport Team will be here to find out about the types of activities your family might like to do in the future. There is no charge for this event, but you must pre-register using the form at [www.livingsport.co.uk/events](http://www.livingsport.co.uk/events) as spaces are limited.

And don't forget to put your dancing shoes on and join us for a Valentine's Disco to round off half term week on Saturday 18 February, 6-9pm. Get your tickets at [www.lovesfarmhouse.com/tickets](http://www.lovesfarmhouse.com/tickets).

## A Warm Welcome at the Farm House Bar & Café

Did you know that the Love's Farm House foyer transforms into a bar and café several times a week? It's a great place to meet up with friends, get to know your neighbours, warm up when it's chilly outside, and take advantage of the short walk home.

The **Farm House Café** is open from 9am to 12noon every Tuesday in term time and offers a range of delicious pastries. **Little Dutch Bites** add their poffertjes to our menu on selected dates (usually the 2nd, 4th & 5th Tuesdays of the month). The **Lazy Breakfast** team serve up pastries, sausage rolls and deluxe waffles on Saturday mornings (also term-time only). At both cafés we have freshly brewed coffee, Brew Tea Co loose leaf tea, hot chocolate with all the trimmings, and a selection of juices and cold drinks. Plus there's free Wi-Fi, books to borrow from the Micro Library, and heating!

The **Farm House Bar** is open every Friday evening from 7.45pm. We have all your favourite tipples, plenty of soft drinks, and themed cocktails and mocktails on selected dates. There are regular themed nights at the bar,

Scill from Little Dutch Bites serving up poffertjes at the Farm House Café

including the ever-popular **Karaoke**, **Games Night** and **Pride Night**, plus one-off events such as **Open Mic** and **Gin Nights**. On the third Friday evening of each month, we welcome the **Love's Farm Book Club** to the bar to discuss the latest literary offering alongside lashings of gin.

Friday 10 February is **Cosy Craft Night** at the Farm House Bar. Are you into crochet, knitting, drawing, painting, journaling or anything else crafty? Why not bring along your WIP (Work In Progress) and join some other crafty people for a natter and a hot chocolate (boozy & vegan versions and other drinks available!) We'd love to see you there!

Don't forget that if it's chilly at home, the Love's Farm House foyer is warm and is open (subject to staff availability and hire commitments) from 9am to 3pm during term time and 9am to 12noon during school holidays. Feel free to call us on 01480 262626 if you want to check we're open before heading down.

## **LFCA: Community Organisers Welcome**

**Wednesday 15 February, 7:30pm,  
Love's Farm House**

Our Community Association meets on the third Wednesday of the month to resolve issues, plan events and whatever else it takes to make Love's Farm a pleasant, safe and friendly place to live. We start each meeting with a chance for anyone to raise concerns or make suggestions, and we're always happy to meet new people and hear their ideas. Our next in-person meeting is on 15 February at 7:30pm at Love's Farm House. Everyone with an interest in their community is welcome to join us.

## **Plenty of Christmas Spirit at the Love's Farm Carols**

The annual Love's Farm Christmas Carol big sing was a joyous occasion, as around 100 people gathered on Station Square on 23 December. Ably accompanied by Chris Hatt on piano and Marcus Pickering on trumpet, we sang our way through a selection of traditional Christmas carols and contemporary songs.

From Station Square, the whole group (or so it seemed) moved across to Love's Farm House where the virtual crackling fire waited to welcome us. The bar provided its usual fare alongside mulled wine and mince pies, the meeting room

**Chris, Marcus and Helene leading the Christmas Carols on Station Square**

became a pop up craft hub for the children to create some Christmas angels (did you know there are more angels in the Nativity story than in any other story). The hall and foyer buzzed with good cheer and conversation. Everyone agreed it all made for a happy start to the Christmas holidays. We'll aim for the same again this year so pencil Friday 22 December 2023 in your diaries.

## **Mice on Love's Farm**

We've had lots of reports of mice in homes around Love's Farm and Wintringham, and have gathered lots of data via social media to corroborate this.

It seems likely that the problem is field mice. Developers of the Monksfields development to the east of Love's Farm have scraped the top surface for archaeological investigations, forcing mice to leave their natural habitat.

The pest control officer at Huntingdonshire District Council has provided the following advice:

If you've spotted a mouse, there's some information at [www.bpca.org.uk](http://www.bpca.org.uk) which will help identify if it's a field mouse. If identified as field mice, then any rodenticide must not be used as this is against BPCA guidelines so only traps are allowed.

As the weather gets colder field mice that are currently surviving outside will look for warmer places to harbour and nest and try to move inside buildings and houses. Food is also scarce for them outside hence another reason why infestations are more noticeable this time of year.

Due to the design and layout of most modern properties, mice can easily access inside if the gap is more than 4mm.

The council's advice to residents is as follows:

- Cover household waste, close dustbin lids and cover compost bins where possible
- Store food in airtight containers and clear up any food spillages/debris straight away
- Install brush strip on exterior doors if the gap is more than 4mm (width of a pencil)
- Fit mesh air vent/brick covers
- Any gaps around the outside of properties e.g pipes, windows, doors and walls of 4mm or more should be filled with wire wool then silicone/expanding foam over the top
- Remove any long standing items

piled up in gardens

- If control is required then use traps inside where mice have been active but ensure the traps are placed away from children and pets.

Hunts District Council can offer a course of treatment or survey if required. Booking details can be found at [www.huntingdonshire.gov.uk](http://www.huntingdonshire.gov.uk).

## Could you Help to Make this Newsletter?

*Love's Farm News* is written, laid out and edited entirely by volunteers. Would you like to join our team to help share positive stories and useful information with the Love's Farm community? If so we'd love to hear from you. Please drop Ben a line at [ben.pitt@ourlovesfarm.co.uk](mailto:ben.pitt@ourlovesfarm.co.uk)

## Love's Farm Out of Doors

Probably, like me, everyone is tired of this stop/start winter. One day the weather person is saying it is unusually mild and then that this Arctic air

A magical frosty scene on Love's Farm

will be with us for the next week. Although it is a month since we passed the shortest day, they don't seem to be getting any longer. I often marvel at just how long a year is, in terms of our being surprised at the length and variety of the seasons as they come around again. The French have a phrase which, roughly translated, says "The more things change, the more they are the same thing". With global warming, climate change statistics will tell us that, year on year, average temperatures, rainfalls, storms, snow etc *are* changing in pattern. But day by day, wherever we live, we and the plants, animals, birds and all other living things just have to get on with it. Spring will come.

During the autumn, LFCA, in partnership with Govia Thameslink, took over the planting and care of the Planters on the path up to the railway station. We have done some initial planting, although the paperwork held us up until it was a bit late. Hopefully with better weather we will again enjoy this approach to Love's Farm. If anyone would like to join the care team please do contact me or any other member of the LFCA.

There is a misconception that there is no need to do gardening in the

Fungus and lichen making their home on a lime tree trunk

winter. Wrong. But it *is* difficult to get started. One day earlier this month a little gang of helpers and I started to tidy the beds on Station Square — it was very satisfying to see the difference we made in the hour or so we could stand it! I also want to get out with my loppers and tidy up some over-hanging branches. Again, any volunteers would

be very welcome.

There have been some very pretty hoar frosts and both sun and moon "glories", partial or full rainbow rings. So provided one steps carefully through snow, ice and mud, there are interesting things to see. On a lime tree at the end of Dramsell Rise there has been a fungus developing, despite the cold, the Alder trees have dropped their first catkins and Hazels are beginning to look pretty in sunshine. Spring is coming!
