A Message from Ian Sollom MP

Ian Sollom is the new Member of Parliament for St Neots and Mid Cambridgeshire

Following the General Election held on 4 July 2024, I am truly honoured to have been elected as your MP for the newly created constituency of St Neots and Mid Cambridgeshire.

Throughout the campaign I heard of the everyday challenges constituents are facing, like trying to see a GP or dentist, dealing with the cost of living and particular worries about our secondary schools. I will work hard to be your champion in Parliament on

these issues.

Whether you voted for me or not, I also want everyone to know that I will keep listening to you — that's why I've launched my new constituency survey to understand what other issues are most important to you. Keep an eye out for one coming through your door soon, or fill it in online at www.iansollom.org/survey

At the time of writing, I am still finalising my constituency office but I will share this on my social media accounts in due course.

You can contact me via email on ian.sollom.mp@parliament.uk or reach me via these links:

Love's Farm Big Lunch

Sunday 8 September, 12-4pm,
Auntie's Woods Playground

It's time for our annual outdoor party. Join your friends and neighbours on the green next to Auntie's Woods playground for a celebration of the Love's Farm community. Bring a picnic lunch, sun protection, rugs and camping chairs. There will be children's entertainment and competitions for the grown-ups. We'll split into two teams: even numbered houses vs odd numbered houses. Will the odds or evens be our 2024 champions? Join us and we'll enjoy the outdoors together!

Hire Availability at Love's Farm House

We're excited to introduce a new daytime hire rate of only £15 per hour for the main hall at Love's Farm House. This reduced rate is available from 9am to 3pm on weekdays during term term, and excludes private events.

At Love's Farm House, we're committed to supporting our community and budding businesses. You might be a startup looking for a space to host a workshop, or an instructor who needs a venue for a course.

Our community centre is ready to host your next event, meeting, or class. Please get in touch at bookings@lovesfarmhouse.co.uk to book and enjoy the new rate.

Love's Farm House is also available for parties, Christenings, wedding receptions and other private events at weekends and any other times when we have availability around our regular bookings. From October we will be accepting party bookings on Friday evenings, too.

Wildflowers

Did you enjoy this summer's wildflowers at the junction of Great High Ground and Stone Hill? With seeds provided by Huntingdonshire District Council, this lovely display of colour was created by the Love's Farm Volunteer Rangers.

There are many opportunities to

get involved with the Rangers, enjoy the outdoors and make new friends. All ages and levels of experience are welcome. Please email chair@ourlovesfarm.co.uk for more details about joining our community of gardening volunteers.

The flowers on the junction near the Pirate Ship were planted by volunteers

Loyalty Cards at the Farm House Café

Love's Farm House is introducing loyalty cards for its Community Café. Collect nine stamps when you buy a drink and you'll get your tenth drink for free.

The café is open Tuesday, Thursday and Saturday mornings during school term time, serving up drinks and snacks including delicious delights from Three Sweet Treats and Poffertjes (small fluffy pancakes) from Little Dutch Bites. Follow us on Facebook for details of opening times.

We will also give you a 30p discount on hot drinks if you bring your own cup. Cut out the loyalty card overleaf and bring it along to our next café morning.

Changes at the Round House School

Tracy Bryden has stepped down as head teacher of the Round House Primary Academy. Tracy joined the school in September 2013, in the same year that the Diamond Learning Partnership Trust took over the management of the school. We estimate that there are 1,000 children who will remember her as their head teacher.

She leaves the school in a good state, performing well academically, rooted in its local community and

Holly Bates (r) takes over from Tracy Bryden as head teacher of the Round House school

with a safe, friendly atmosphere.

Tracy will continue her role as head teacher at Wintringham Primary Academy. We thank her for everything she's done for Love's Farm, and wish her well for the future.

We're delighted to congratulate Holly Bates as the new head teacher of the Round House. She has worked at the school since 2014, and served as its deputy head teacher since 2018. We're certain that the school will continue to thrive in her care.

New Classes at the Farm House

Become a wildlife explorer for a day and discover what's living right on your doorstep. Using the "iNaturalist" phone app, we'll take photos of plants, animals, insects and fungi. Scientists will review our findings and help us create a nature map of Love's Farm. It's citizen science at work!

Just like a real scientific expedition, everything you find will be documented and passed on to local and national databases that monitor wildlife. We'll also have a leaderboard of Love's Farm explorers and a live map of our nature observations.

Lara will be on hand at the Big Lunch to help you download the app onto your phone. She'll also give you a demo of how to begin recording plants and animals. The app is easy to use and fun for kids, grown-ups, beginners and experts alike.

Parking Wardens Are Coming

In 2025 the police will hand over parking enforcement to Huntingdonshire District Council. Wardens will begin patrolling on 3 February 2025. During the first month, wardens will issue warning notices to vehicles parked illegally. From 3 March,

parking wardens will issue penalty charge notices.

The cost of a penalty ticket is either £50 or £70. Payments made within 14 days will receive a 50% discount.

This autumn there will be an increase in repairs to road signs and painted lines across Huntingdonshire. This will make the parking restrictions clear to all drivers.

The Police (via 101) will remain the main contact for dangerous and emergency parking issues.

Open Eco Homes

The 15th annual Open Eco Homes event will spotlight the future of sustainable living in homes across Cambridgeshire. Local people will open their homes to both the eco-curious and those considering their own home improvements. This year includes the opportunity to visit a beautifully renovated home in Great Paxton. From 21 September to 20 October, attendees can participate in free, expert-led talks and tours of eco-homes in person or online.

Visitors will see air source heat pumps, solar PV panels, battery storage and mechanical ventilation with heat recovery. Other highlights will include advanced insulation, natural materials, draught-proofing, high-performance windows and doors, and climate-resilient gardens. Both new builds and retrofitted homes will illustrate diverse approaches to lowering carbon

footprints and energy costs.

Nine innovative homes will open their doors, offering something of interest for everyone. The event also features a series of talks, including:

- Low-cost Home Energy Improvements
- Heat Pump Myths
- How to Use a Heat Pump
- Climate Friendly Gardening
- Retrofitting Older Homes

All events are free but advance booking is required. For more information and to book your place, visit www.cambridgecarbonfootprint.org/open-eco-homes

Would you like to volunteer your Love's Farm home to demonstrate retrofit options? If so, email chair@ourlovesfarm.co.uk

Smarten Up the Farm

Saturday 7 September, 11am and/or 2pm, meet by the Pirate Ship

Come wearing sturdy footwear, pick up a grabber and hi-viz and help to give Love's Farm a spruce up ahead of the Big Lunch on Sunday 8 September. If you've never tried it, we reckon you'll be surprised how satisfying litter-picking can be.

Monksfields Construction Noise

Residents will be aware that work is well underway to prepare the site to the east of Love's Farm for the new Monksfields housing development. Those closest to the construction site are enduring relentless noise and — especially given the often unsociable hours of the works — Cllr Marcus Pickering has engaged with the developer to determine the expectations around noise and working hours.

The works commenced on 3 June 2024 and the consented working hours are 7am to 7pm on weekdays, and 7am to 1pm on Saturdays.

The loudest noise has been attributed to earth-moving plant, which is scheduled to be working near the border of Love's Farm until the end of

November (weather permitting).

What's Been On at Love's Farm House

Our new trustee Sarita Mal reports on her summer at the Farm House

Thank you to everyone in Love's Farm, Wintringham, St Neots, and beyond who attended our **Summer Fayre** at the end of June. This event, lovingly organised by our dedicated volunteers and staff, was a tremendous success. As my first big event at Love's Farm House, I was overjoyed to see so many community members enjoying the day.

The feedback from stall holders was overwhelmingly positive, with many expressing interest in future events. It was especially heart-warming to see young entrepreneurs in action, with about half of our stalls managed by under-18s. The jewellery and magic sand bottle I bought have already brought smiles to their new owners — thank you!

I had the pleasure of running the treasure hunt stand, and I want to thank everyone who participated. Although I didn't spend much time in the garden, I heard fantastic things about the Guyanese Cuisine and Broadway Boogie. A special thanks to Lisa for the light-up lettering in the foyer — they added a touch of nostalgia that has brightened our coffee mornings and meetings.

Congratulations to all the raffle prize winners! It was wonderful to see the generosity of our local businesses, and I hope the prizes

have brought you joy.

The funds raised from the event will go towards improving the sustainability of Love's Farm House. If you have any ideas or suggestions for quick wins you noticed while at the fayre, please reach out!

We've also had requests for a similar event at Christmas, potentially a craft market with more festive entertainment. If you're interested in getting involved or even organising the event, please get in touch. Let's make it another celebration to remember!

Thanks to everyone who supported the free yoga classes at Love's Farm House to celebrate **Yoga Day 2024**, themed "For Self & Society." A special thanks to our local shops and the football club for allowing me to put up posters and share on your socials. It's been wonderful getting to know you, and I hope we can collaborate more in the future!

My goal was to spread love and joy, and it was heartening to hear such positive feedback from those who attended. I'm so glad people left feeling healthy and lighter.

It seems there is a demand for yoga across St Neots, but perhaps not as

Sarita (third right) with the team setting up for the Summer Fayre

much here in Love's Farm and Wintringham. I would love to hear your thoughts on this. Please email bookings@lovesfarmhouse.co.uk, marked for the attention of Sarita.

Oh, and if you feel passionate about sharing a particular celebration with our community, get in touch — let's see how we can celebrate together!

Your Community Centre Needs YOU!

Love's Farm House is a brilliant part of our community, where people can come together for classes, meetings, parties, events... and even delicious coffee and pastries! But did you know that it is managed by a charity run by local residents?

As Love's Farm House enters its tenth year, it continues to struggle in its financial recovery following the impact of the Covid-19 lockdown and the cost-of-living crisis. The centre currently relies on its financial reserves to cover its running costs, but it cannot continue to do this indefinitely — particularly as the building itself ages, requiring more frequent and costly repairs.

Love's Farm House belongs to everyone in our community — but it can only stay open with your help.

So.... How can you help? There are many ways:

- Buy a cuppa at our café
- Sign up for a class
- Hire the hall for a party
- Come to an event... or even

organise one of your own!

- Join us for a Friday night drink — check our What's On guide for opening dates and hours
- Share our posts and events with your friends and community
- Become a trustee or volunteer

Please get in touch at bookings@lovesfarmhouse.co.uk if you'd like to find out more.

Date for Your Diary... Carols on the Square & Christmas Cheers

| Friday 20 December, 7pm

Pop a note in your diary for 20 December, when we'll be gathering at Station Square to get into the Christmas Spirit with some carol singing. We'll have a mix of traditional carols and the odd yuletide pop song, accompanied by local legend Chris Hatt on the piano.

After a good vocal workout we'll head to Love's Farm House for Christmas drinks and festivities. It's the perfect start to the Christmas break, shared with our neighbours. Non Love's Farm folk welcome as always, we look forward to seeing you!
