## Christmas on Love's Farm

(L-R) Chris and Marcus leading the Christmas Carols on Station Square, Love's Farm House volunteers serving up tasty treats at the Christmas Tree Pre Switch-on Party, while Raw Divas keep the crowds entertained with festive songs

Christmas is well and truly underway on Love's Farm.

The festive season kicked off on 24 November with a party at Love's Farm House. It was officially to mark the switching on of the Christmas Tree Lights on Stone Hill. Storm Bert meant that the outdoor celebrations had to move inside, but there was a huge turnout and everyone got into the Christmas spirit.

There was mulled wine and mince

pies at the café, plus music from Raw Divas and the Round House Choir. St Neots Youth Council and some young entrepreneurs had a wonderful selection of crafts on sale. Silver Rock Designs ran activities for children and there was a visit from Santa, our MP Ian Sollom and a naughty elf!

A big Thank You to everyone who made this event happen, and to our community for turning out in force.

The celebrations continue

throughout December — you'll find details throughout this edition of Love's Farm News.

Don't miss the Christmas Carols on Station Square on Friday 20 December at 7pm, followed by Christmas Cheers at the Farm House Bar. It's the perfect way to get in the mood for Christmas with friends from across the Love's Farm community.

## New Faces for Love's Farm SMART Days

After 10 years in charge of our community litter pick initiative known to all of us as SMART Days, Helene,

The Schnetzing family are taking over to lead our volunteer litter-pickers

who originally took over from Phyllis, is handing over to the wonderful Schnetzing family. They have been faithful volunteers for a number of years and will provide younger, fresher faces to organise and cheer our efforts to keep our green places and shared spaces clear of litter. Helene will continue as a volunteer and assist them as they've assisted her and all of us.

Please continue to watch out for the banner (which goes up on the fence of the Pirate Ship park the Monday before our Saturday shift)

Helene (left) joins Phyllis in the exclusive club of SMART Coordinator Alumni

and social media posts advertising future SMART days. Helene's last SMART in charge is **14 December**.

Thank you to every single one of you who has ever picked litter during SMART or managed the spaces closest to your home/school so that Love's Farm continues to be kept as well as it is. It was Phyllis who would often say, "if we keep it cleared and clean it's more likely to stay that way" and for the most part that is true — so THANK YOU!

## Update from our AGMs

A fantastic evening was had by all at the joint annual general meetings

of LFCA and Love's Farm House, where business met fun in the best possible way. We transformed the agenda into an enjoyable experience with games, puzzles, prizes and gifts to show our appreciation. Teams competed to complete a jigsaw puzzle without the image of the final result. A few drinks later, the night shifted from business to simply enjoying good company after a long week.

## Celebrating the People Who Makes Things Happen

Our AGM is an opportunity to thank the people who work so hard to make our community thrive, and to welcome new volunteers to the team.

**Andy Hill** stood down as a trustee and chair of Love's Farm House, and fellow trustees **Eleanor Parkin**, **Rachel Bundy**, **Zoe Lancet** and **Alaistair McKenzie** have decided it's their time to move on. The team — and the whole community — thanks them for their dedicated service.

**Sarita Mal** and **Sam Booker** have joined the trustee board — welcome!

The charity treasurer **Mark Kipping** moves into the role of chair, with **Lara Davenport Ray** as vice-chair, **Emma Wootton** as treasurer and **Maria Russo** continuing as secretary. Huge thanks to them all.

**Jenny Bishop** was awarded Volunteer of the Year in recognition of the massive contribution she has made over the past decade.

Jenny has gifted her time and

experience to our community, above and beyond the call of duty. We are especially grateful for her dedication to our community centre. Without her professionalism, diligence and care, the heart of our community would not have survived its first ten years of operation. Because of her hard work, we have a place to meet together and celebrate our community.

It's been a challenging couple of years for Love's Farm House, but the future is looking bright thanks to our wonderful volunteers and staff. A special mention goes to **Arwen Stapleton** for stepping up every time we needed her most, and to **Sarita Mal** for her enthusiasm and helping us steady the boat.

LFCA said a heartfelt thanks to its outgoing chair **Lara Davenport-Ray**, secretary **Eiman El Banhawy** and Street Rep coordinator **Caz Henderson**. You are all wonderful!

They leave our community association in the capable hands of **Sam Booker** as chair, **Jennifer Ogilvie** as secretary and **Emma Wright** looking after Street Reps and newsletter delivery.

## There's Always Room for More...

Love's Farm House is excited to see new people stepping up to plan and host events. We're especially looking forward to building a lineup of activities and events to celebrate our 10th birthday in 2025.

In the past, volunteers have organised everything from cinema nights and comedy shows to wine & cheese gatherings. They've also contributed their incredible skills in other ways — like Eleanor's beautiful artwork for the recent Christmas Light switch on party and Rachel's expertise in health and safety at the CPR & DeFib awareness session. Whatever your passion

or talent, we want to hear from you.

And if events aren't your thing but you're looking for other ways to contribute your time — whether through volunteer hours you may get from work, or just by giving back to your community — we'd love to hear from you. Here are a few areas where we could use support:

**Social Media Savvy?** If you've got a knack for social media, we'd love help showcasing what we do and getting our message across to more people. Got a project or campaign in mind? Let's talk! We're keen to reach all the demographics in Love's Farm.

**Human Resources Skills?** If HR is your bread and butter, we'd love your

**Tech Enthusiast?** If you're in the tech world and could help us upgrade our website, leverage APIs, or just improve our digital presence, we're all ears!

**Already in a Group?** If you're part of a local group or community initiative and see opportunities for collaboration, let's connect!

Let's work together to create even more opportunities to bring the community together. If any of these areas interest you, or if you have your own ideas, reach out to us at [trustees@lovesfarmhouse.co.uk](mailto:trustees@lovesfarmhouse.co.uk). Let's make it happen!

## New Chairs at Love's Farm House and LFCA

The Annual General Meetings for Love's Farm Community Association and Love's Farm House saw the appointment of new chairs to both organisations. We invited them to introduce themselves.

### Mark Kipping

I have lived on Love's Farm since moving to St Neots in May 2019, and first became a Trustee after meeting fellow residents at a

Love's Farm House "Whisky Night". I have served as Treasurer for the last five years, helping to guide the charity through a turbulent economic climate. I am a qualified accountant but also have over 10 years' previous experience working in social care, supporting a diverse range of vulnerable people. I also managed my own café for a few years. I love the sense of community that we have and want to celebrate this as we enter our tenth anniversary year.

### Sam Booker

My name is Sam and I am the new chair of LFCA.

After moving to Love's Farm last year, I was impressed by the wonderful sense of

community here and this is exactly what made me want to get involved with the community association.

Following on from the great work done by Lara and Marcus as chairs of LFCA, I aim to continue helping to make Love's Farm the best place to live in St Neots. My personal motto is "listen first, speak second" and this is exactly what I aim to do as LFCA chair. Please email me at [chair@ourlovesfarm.co.uk](mailto:chair@ourlovesfarm.co.uk) if there's anything I can help you with or anything you would like the community association to look at.

## Grants Available for Community Projects on Love's Farm

LFCA continues to make a visible impact around Love's Farm. If you're involved in the running of a group that is of benefit to the Love's Farm community, we can raise small grants to help. Visit [www.ourlovesfarm.co.uk/grants](http://www.ourlovesfarm.co.uk/grants) for details.

## ESOL (English for Speakers of Other Languages) Classes

Are you learning English? Do you want to improve your English

language skills?

We want to run English classes at Love's Farm House, so please tell us if you are interested using the QR code — it only takes a few minutes.
